```

Number #2:

The screenshot shows the OneCompiler web interface. On the left, the HTML code for 'index.html' is displayed, featuring a form with a table menu, a dropdown for selecting an order, and input fields for quantity and cash. On the right, the rendered output is shown, displaying the 'Menu' title, a table with items (Burger, Fries, Steak) and their amounts, a dropdown menu set to 'Burger', and input fields for 'Quantity' and 'Cash' with a 'Submit' button.

```
